[biblical archeology sodom and gomorrah aish](#)

Does archeological data support the Biblical story? Loved this, but I've always heard that the flood happened in 1656, and the generations of the sons of Noah span 400 plus years til we get to Abraham, and add the 90 plus years he was at when God began directing him, it's about five hundred years to Sodom and Gomorrah's destruction....

[human social and political sciences undergraduate study](#)

Course outline. Teaching is delivered through lectures, supervisions and seminars. Some subjects also include practical/laboratory classes. In the first year, you have around eight lectures and one or two supervisions a week.
