Journals. This collection contains print and microform journals, newspapers and magazines held in various Library branches and e-resources to which the Library subscribes (some access is restricted, others are open to all). This includes e-journals held at publishers' sites, e-journal collections (e.g. JSTOR) and e-journals indexed in our full-text article indexes.

[the emergence of the united states as a global power](#)

The United States (US) established itself as a great power in the early 20th century. America's economic dynamism enabled it to become pivotal in both regional and world politics (Brzezinski, 1997: 4). The path was forged through continuous application of US's growing power; hard and soft alike ...
